Re: Spencer-Tioga Solar, LLC Request for Additional Sales and Use Tax Exemption and Extension of Exemption Period

Dear Christine and TCIDA Colleagues,

Reference is made to the Payment in Lieu of Taxes and related agreements dated as of May 24, 2018 by and between Spencer-Tioga Solar, LLC and the Tioga County Industrial Development Agency.

Per our letter shared on March 4<sup>th</sup> with the TCIDA Board, we are happy to report that the Spencer Community Solar Farm Project is now in operation with the New York State Electric & Gas (NYSEG) utility grid and we are nearing the final completion phase of construction with our prime contractor and wrapping up the project in terms of final accounting of all costs and investment.

Today, we are requesting a Period Extension and Amount Increase for the sales and use tax exemption granted to the project.

As part of our March 4<sup>th</sup> letter, we had requested an increase in the sales tax exemption amount to account for a cost overrun with our solar panels and Christine had notified us following that Board meeting that the increase had successfully passed (in the amount of \$24,151.75). However, since our request in March, on April 17<sup>th</sup>, 2020, we received a final reconciliation invoice from NYSEG, which detailed the final cost for the utility upgrades associated with the interconnection of the solar projects and included taxes of \$70,135.42. Now with the final reconciliation invoices in-hand, we kindly request this amount be included as part of the Amount Increase. The numbers have been detailed below and, in the accompanying, excel spreadsheet, *CS-TGC ST-340 Breakdowns - 2019 (Spencer-Tioga Solar, LLC).xlsx*.

We recognize that this request is coming as the project nears completion and apologize for not catching this earlier. If you would like any further information, please reach out to us. Thank you again for your support and we look forward to the long-term operation ahead of clean energy, community solar farms in Tioga County.

Project	\$ 767,273.17
Program Max	\$ 672,986.00
Net Over Max	\$ 94,287.17

Best Regards,

Noah Siegel Project Manager (516) 640-2877
